

Northern Snow Angels

The Northern Snow Angel program is made available to all Schools and Organizations. Our focus is on making Skiing and Snowboarding affordable and accessible to School Groups/Organizations across the Northwest Region.

The goal of this program is to help provide free skiing/riding by offering Lift Tickets, Rentals and Lessons to those School Groups/Organizations who want to participate in this snow sport, but are unable to afford the cost. An Active Community is a Healthy Community.

For those who would like to help us continue this program, MMC-Shames Mountain will match dollar for dollar the total amount donated. For every \$50 contributed, the donator will receive one Youth/Junior Lift & Rental Voucher to bring up someone they think would enjoy a day at MMC- Shames Mountain. Anyone can donate!

Let's get all of our School Groups/Organizations up to the Mountain to experience a day at Shames. By making skiing/riding more accessible to our Youth/Juniors, we are able to introduce a whole new generation to skiing/riding, giving them *a positive outdoor experience*

Please note that there is a limited amount of money for the Northern Snow Angels Program, so please be responsible when applying for this program.
